

Kids First Health Care Web Site Privacy Policy and Disclosure

The Kids First Health Care Web site is designed and intended to provide easy access to information about our clinics. We hope that the information provided encourages the visitor to consider using Kids First Health Care for medical care for their children or that the visitors share the information and or resources on our website with others.

We provide links to other websites or applications. However, we are not responsible for the privacy practices of those websites or the information or content they contain. This Privacy Policy applies solely to the information collected and provided by us through the Site and the Service.

The Kids First Health Care web site is not intended to sell or promote products of any kind.

All non-stock or clip art photographs contained in the Kids First web site are property of Kids First Health Care and are prohibited from being copied and or shared without permission.

General Information Collected

The service automatically tracks the number of visits to our web site that tells us, how many visits are made to the site; the time of day and date of those visits; and the areas visited. This information is used to evaluate the effectiveness of our site.

We do not receive any personal identifying information regarding visitors.

How our web site is funded

The Kids First Health Care web site is funded entirely by the operating income of Kids First Health Care. Please visit the "about us" section to learn more about our status as a non-profit health care organization.

We do not accept advertising or promotional request for our web site.

Web site maintenance contact information

The Kids First Health Care Community Outreach Department manages and maintains the information contained in the web site. The Community Outreach Department is located at the Kids First Health Care administrative office in Commerce City, CO.

Please refer any questions, comments or suggestions to, info@kidsfirsthealthcare.org

Comments or questions will be routed to the appropriate individual within the organization. You can also contact us by calling 303-289-1086 or via mail at:
